SJ McCoy : The Wedding Dance (Summer Lake 8) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wedding Dance (Summer Lake 8):

Tragedy, struggle, love, and of course a wedding or twoBy LaBellaMadreThe wedding dance was a story i looked forward too since i read Summer lake book 3 and feel in love with Missy and Dan. They are by far my favorite Summer Lake couple, and i was thrilled to see a book about their wedding. The story had some nice twists and surprises, which i won't spoil but will say were not expected at all. There was everything a good story should have, tragedy, struggle, love, and of course a wedding or two. SJ McCoy is one of my favorite authors currently. She is a fantastic writer, who knows how to draw you into the worlds she writes about. She makes her characters loveable, relatable, and interesting. She knows how to write her men to be the kind you would fantasize about loving. Her Summer Lake and Remington Ranch stories are wonderful, and well worth reading.0 of 0 people found the following review helpful. This book is perfection at it's best!By CINDY F.Wow! Wow! Wow! SJ McCoy has really outdone herself with this book. I don't know about anyone else, but this book made me a complete and utter wreck by the time I got through this one. My emotions ran a whole gammit of ups and downs, that's for sure. I was so elated for most of these couples, but my heart couldn't help but bleed for Ben Chance. I was also shocked about Megan and Michael backing out at the last minute. If anything, but mainly because I thought these two were the most stable couple out of all of them. I cried so many tears of both sadness, and tears of happiness, as well as everything else in between. I was so happy that Scot was able to come out of his shell long enough to make one of the best speeches I've ever heard in my life. That speech in itself; was the equivilment of 3 boxes of tissues.Missy however, is probably my favorite character of all. I love her brassiness. She might be smalll in statue, but she a real firecracker. She makes me laugh at her antic's. And the way she instantly jumps into the fray to make things right for everyone else around her, makes me smile every single time. She deserves all the happiness that comes her way, and more. I couldn't have paired her with a better man than Dan, if I tried.This story takes us on the journey of the best day of Missy and Dan's lives, but it also fills in the blanks on what has been going on with everyone else in Summer Lake including; Emma and Jack, Pete and Holly, Michael and Megan, Kenzie and Chase, Gabe and Renee. We also get to know a few new characters, as well. People like: April and her son Marcus, Lily, and Charlotte (Who we've been told about in previous books, but never met, until now) and last but not least, we met the precarious womanizer, Nate. I can't wait to see what kind of woman it takes to rope him in. I'm also waiting with bated breath, to find out if Ben and Chance ever get to find their own HEA'S. I surely hope so, because there is no better me than these two, as far as I'm concerned.You keep these books coming MJ McCoy, and I'll keep on reading. I hope we get a few more books in the Remmington series, too. ;)1 of 1 people found the following review helpful. Thank you, Sam!!By Kindle CustomerOmg!! We find our two couples preparing to be married in Vegas and another one over preparing for

another one....what could possibly go wrong!! Do we see a divorce even before they marry??? With so many Summer Lake friends gathering you just know its going to be more than that, so buckle your seatbelts you are in for a ride! We do have one toast that you'll need a hankie handy!love, love, love this series. ;

Missy Malone is about to marry Dan Benson. You are cordially invited to attend the wedding, in Las Vegas. As you might expect, these two will encounter a few bumps on the way to their big day. But this is Missy and Dan—you know they'll overcome any obstacle in their path. Their friends will all be with them on their journey toward wedded bliss. The question is: which of them will be able to overcome some pretty major obstacles of their own?You'll have to accept the invitation, and join the gang in Vegas to find out who else is getting married, who isn't, and who's expecting a baby!This book is intended for adult readers 18+ *****The Wedding Dance is NOT intended to be read as a stand alone novel. This book is for my lovely readers who have enjoyed Summer Lake books 1-7. It's a chance to join Missy and Dan for their wedding, and to visit with each of the couples from the first seven books in the series. If you haven't yet, you can get started for FREE with Love Like You've Never Been HurtAll the other books can be read as stand alone books – no cliff hangers here! Each book contains one couple's story. However, they are best read in order to get full enjoyment of the underlying story and friendships.Book 1: Love Like You've Never Been Hurt Emma and Jack Book 2: Work Like You Don't Need the Money Pete and Holly Book 3: Dance Like Nobody's Watching Missy and Dan Book 4: Fly Like You've Never Been Grounded Smoke and Laura Book 5: Laugh Like You've Never Cried Michael and Megan Book 6: Sing Like Nobody's Listening Kenzie and Chase Book 7: Smile Like You Mean It Gabe and Renée Book 8: The Wedding Dance - Missy and Dan's Wedding Book 9: Chasing Tomorrow - Ben's backstory with Charlotte

About the AuthorHi, I'm SJ, a coffee addict, lover of chocolate and drinker of good red wines. I'm a lost soul and a hopeless romantic. Reading and writing are necessary parts of who I am. Though perhaps not as necessary as coffee! I can drink coffee without writing, but I can't write without coffee. I grew up loving romance novels, my first boyfriends were book boyfriends, but life intervened, as it tends to do, and I wandered down the paths of non fiction for many years. My life changed completely a couple of years ago and I returned to Romance to find my escape. I write 'Sweet N Steamy' stories because to me there is enough angst and darkness in real life. My favorite romances are happy escapes with a focus on fun, friendships and happily-ever-afters, just like the ones I write. These days I live in beautiful Montana, the last best place. If I'm not reading or writing you'll find me just down the road in the park - Yellowstone. I have deer, eagles and the occasional bear for company, and I like it that way :0)
